

SETUP

1. Create the battlefield by connecting tiles. Place Treasure Chest markers number side down on all Treasure squares
2. Choose a Commander card, and place it in front of you.
3. Shuffle your Creature deck and Order deck, drawing a number of cards from each as indicated on your Commander card.
4. Deploy your starting creatures and draw back up to your Creature hand size. Each player deploys all his or her creatures before the next player begins.
5. Take turns in order, starting with the player who deployed first and proceeding to the left.
